As a parent of a year 6 pupil, choosing which secondary school is right for your child is a big decision. To help you decide, we warmly invite all prospective pupils and their families to join us at our open evening to meet us and to find out what is it like to be part of the Cheltenham Bournside School community.

Our mission is to empower lives through learning every day - through excellent teaching, compassionate pastoral care, and an inspirational enrichment programme. We are proud of our teaching team and the opportunities we are able to offer both in and outside of the classroom.

We have transformed our transition activity this year, inviting our new Year 7 students in to spend five full days with us in the summer term. As you'd expect, they learned to find their way around the school and enjoyed sample lessons, but they also took part in a valuable two day 'Boost' programme, which focuses on the development of self-leadership and emotional intelligence skills. Parent feedback on this has been extremely positive.

This year marks our 50th Anniversary on this site - a landmark we are very proud of. That sense of history, or pride and of community is what makes us special; and we are ambitious for the next 50 years.

We look forward to meeting you.
